

PROGEBE - BASELINE HOUSEHOLD SURVEY**(Country)****ADULT FEMALE**

This questionnaire should be filled out by the wife (or first wife in polygamous households) or other adult female knowledgeable about household food consumption, expenditure patterns and women's income. Ensure the information reflects the food consumption of the entire household, as identified when starting the main household questionnaire. Include the income generated by all the women - not only the income from the person you interview. If need be, you will need to ask some questions to the other women.

15 GENERAL IDENTIFICATION

1. Date of Survey (DD/MM/YYYY):	/ /
2. Enumerator Name	
3. Time interview started	HH: MM:
4. Time interview ended	HH: MM:
5. Respondent Name	
6. Relationship to head	
7. Main Household Code (AABBCCDDEE)	

RELATIONSHIP TO HEAD	
1 = Head	4 = Other wife (polygamous household)
2 = Wife (monogamous household)	Other adult female, (specify in cell)
3 = First wife (polygamous household)	

Enumerator activity: Evaluate the housing standard for this household – (If possible, Do not ask, observe)

Mostly used roofing material (code)	Mostly used wall material (code)	Total number of units/rooms (count)
1=Thatch grass, 2= Iron sheet, 3=Asbestos, 4=Tiles, 5=Concrete/cement Other: (specify in cell)	1=Pole and mud, 2=Burned brick, 3=Unburned brick, 4=concrete/cement, 5=Brick plastered with cement, 6=Stone, Other: (specify in cell)	Count only the number of dwelling rooms (include the toilet).

16 FOOD CONSUMPTION AND DIETARY DIVERSITY

16.1 Household dietary diversity

Table next page- codes below

a) CONSUMPTION UNITS	b) MAIN SOURCE
1=Kilograms	1=Own farm production (or mainly purchased)
2=Litres	2=Purchased (or mainly purchased)
3=Number/ pieces	3=Both own production and purchased
4=Cup	4= Collected from outside farm (not paid for)
5= 50-kg bag	5= Received as gift or in-kind payment
Other: (specify in cell)	Other: (specify in cell)

Food groups	Types of foods	Has your household consumed in the last 24 hours (0 = No, 1 = Yes)	<u>How many times</u> in the last 30 days has your household consumed this food?	On average, how much was consumed each time by the household?	Consumption unit (code a)	Main source (code b)
Cereals	Maize					
	Wheat					
	Sorghum / millet					
	Rice					
	Other.....					
Vitamin rich vegetables and tubers	Pumpkin, carrots, squash, or sweet potatoes that are yellow or orange inside + <i>other locally available vitamin-A rich vegetables</i>					
White tubers and roots	White potatoes, white yams, cassava, or foods made from roots.

Other vegetables	other vegetables, including wild vegetables					
Vitamin a rich fruits	ripe mangoes, papayas, <i>other locally available vitamin A-rich fruits</i>					
Other fruits	other fruits, including wild fruits					
Meat	beef					
	lamb					
	goat					
	Poultry					
	Other					
Eggs	Eggs					
Fish	Fresh or dried fish or shellfish					

Food groups	Types of foods	Has your household consumed in the last 24 hours (0 = No, 1 = Yes)	<u>How many times</u> in the last 30 days has your household consumed this food?	On average, how much was consumed each time by the household?	Consumption unit (code a)	Main source (code b)
Legumes, nuts and seeds	Beans, peas, lentils, nuts, seeds or foods made from these					
Milk	Milk (fresh or sour)					
Milk products	Cheese, yogurt or other milk products					
Oils and fats	oil, fats or butter added to food or used for cooking					
Sweets	sugar, honey, or other sweetened products					
Spices	spices					
caffeine or alcoholic beverages	coffee, tea, alcoholic beverages OR <i>local examples</i>					
Did you or anyone in your household eat anything (meal or snack) OUTSIDE of the home?						

16.2 During the last 30 days, for how many days has your household had to?

Rely on less preferred foods or less expensive foods than normally consumed	Borrow food from friends or relatives	Purchase food on credit	Limit portion size at meal times?	Reduce number of meals eaten in a day	Skip entire days without eating	Other: (specify) []

16.3 In the last 12 months, how many months did you have to follow one or more of these strategies? [] months

Specify months: [, , ,] (code: January = 1, December = 12)

17 WOMEN OWNERSHIP OF ASSETS

17.1 Do women from this household own livestock? [] (0=No, 1=Yes)

If Yes, fill in the table

Asset	Total owned by household (from main HH survey)	Number owned by women	How were they acquired? (code a)	In the last 12 months, did they sell any? (0=No, 1=Yes)	If sold, for what reason? (code b)	If sold, amount of money made from disposal	
						Total amount made (local currency)	How much of this money was managed by women? (local currency)
Cattle (Ndama)							
Cattle (Other breeds)							
Sheep (Djallonke)							
Sheep (Other breeds)							
Goats (West African Dwarf)							
Goats (Other breeds)							
Poultry (chicken, ducks etc)							
Other livestock (Specify)							

a) CODES FOR HOW ACQUIRED		b) REASON FOR SALE	
1=Born into herd/ flock 2=Purchased 3=Inheritance	4=Gift Other: (specify in cell)	1= To Buy food 2= To meet medical or education expenses 3= Home improvements	4= To pay off a loan 5= To Raise money for business Other: (specify in cell)

17.3 Land ownership and use

- Refer to Section 16.1 from main questionnaire and use plot size to confirm same plot is being referred to.

Plot ID	Plot Size (ha)	If owned, by whom? (use HH ID code)	Cultivated/managed by whom (use HH ID code or 0 if hired labourer)	If managed/ cultivated by women, how much money did they make & manage from crop planted there in last 12 months? (local currency)	
				Total money made	Money managed by women
1					
2					
3					
4					
5					
6					
7					
8					
9					
10					

18 WOMEN'S LIVELIHOOD STRATEGIES

18.1 What livelihood activities are you engaged in?

Activity	Did you engage in this activity during the past 12 months? (0=No, 1=Yes)	If yes, rate the importance to your wellbeing (code)	Total amount made in the last 12 months (local currency)	How much of the money was managed by women? (local currency)
Food crop production				
Cash crop production (e.g. coffee, cotton, sisal etc.)				
Feed and fodder production				
Gardening/vegetable production				
Fruit production				
Cattle keeping (selling own)				
Sheep keeping (selling own)				
Goat keeping (selling own)				
Renting out livestock (draft power, breeding)				
Poultry keeping (selling own)				
Trading livestock				
Trade of livestock products				
Formal salaried employment (non-farming)				
Livestock herder				
Business – Trade in agriculture products (non-livestock)				
Business – Trade (non-ag. E.g. small shop owner, includes natural products – charcoal, firewood, water, roadside grass etc.)				
Business – Services (non-ag., e.g. carpentry, barber, healer, dress-making etc.)				
Working on other farms				
Fishing				
Pensions & cash aid				
Rent out land / sharecropping (cash value of share crop or rent)				
Other (specify): []				
IMPORTANCE OF LIVELIHOOD ACTIVITIES TO WELL BEING				
1 = least important	2= somewhat important	3= important	4= very important	

19.2 Who mainly makes decisions on the following livestock related activities?

- Strike out column if household does not own species

	Cattle		Sheep		Goats	
	Ndama	other	Djallonke	other	WDG	other
Female owned livestock						
How many to keep						
Purchase /acquisition of additional animals						
Movement of animals (in grazing lands)						
When and where to sell animals						
Use of money from sale of these animals						
When and where to sell products from animals(milk, eggs)						
Use of money from these products						
How much of product e.g milk will be used at home and/or sold						
Other						
WHO MAKES DECISIONS CODES:						
1=Mainly men		2=Mainly women		Other: (specify in cell)		

20 ACCESS TO SERVICES

20.1 In the last 12 months, how many times have you done the following?

Sought agriculture extension advice	Been talked to about agriculture or livestock by an extension officer	Visited a field demonstration or field day or had a training on agric. or livestock production	Accessed financial services from a bank of microfinance institution	Are there Farmers /Producer Associations/ Co-operative Societies in this area? (0=No, 1=Yes)	Are you a member of any of them? (0=No, 1=Yes)
