**SECTION 8 : GIFTS AT MARRIAGE**

Note: It is important to get transfers/expenditures from both sides of the family. Include gifts which were given even 3 months after the wedding. These are gifts given to the couple to help them establish a new home/start their married life.

To each wife, ask: what gifts did you/your family give to the groom and/or the groom's family?  
 what gifts did your husband/his family give to you/your family?

To female head of households, ask first: what gifts did you or your family give to your last husband and/or his family at the time of marriage. Ask second; what gifts did your last husband and his family give to you and or your family. IF a different asset was given, code 777. If they don't remember, code 88.
