EVALUATION

HKI E-HFP PROGRAM, BURKINA FASO  
GAAP Qualitative Study – May/June 2012

Semi-structured interview with Nutrition  
Educators

ALL INFORMATION CONTAINED IN THIS  
QUESTIONNAIRE IS STRICTLY

**CONFIDENTIAL**

Village code [ ][ ][ ]

Member ID [ ][ ][ ][ ][ ]

***Instructions to interviewer:***

**General instructions:**

First ask the respondent for his/her consent to conduct the interview. If consent is not granted, please select the next respondent on the list.

Please follow the instructions marked in **BOLD** and in square brackets, for example: **[CIRCLE ALL THAT APPLY]** or **[CIRCLE ONLY ONE ANSWER]**. These instructions state that for that particular question you should read all of the possible responses to the respondent or that only one answer should be circled. For the open-ended questions please include only one specific idea per line.

**LETTER OF CONSENT**

I am [Name of interviewer]. I am a member of a team who is assisting Helen Keller International (HKI), an international non-governmental organization, to evaluate their homestead food production (HFP) program in Fada N’Gourma province. We would like to ask you some questions about land ownership, nutrition, and your thoughts about and experiences with the HKI HFP program. We are doing this to better understand agricultural, health and nutrition practices and traditions in your community.

The information you will give us will not be disclosed to anyone. It will be kept strictly confidential. This interview may last for about 2 hours.

Your participation in this interview is voluntary. You have the right to not participate if you don’t want to. You also have the right to refuse to answer specific questions or to discontinue the interview at any time. Not participating will not affect you, your children or your family.

You can ask questions concerning the interview at any time during the interview or after. You will receive a copy of this form on which you will find information about who to contact, should you have any questions.

The organizations responsible for the survey are the International Food Policy Research Institute and Helen Keller International. If you have any questions, you can talk with Olivier Vebambe, **in charge of production at HKI**.

I, \_\_\_\_\_, agree to participate in this study.

**MODULE 17 H: TIME ALLOCATION (WITH THE HUSBAND)**

**[INTERVIEWER: THE PURPOSE OF THIS MODULE IS TO GET AN IDEA ABOUT MEN’S AND WOMEN’S TIME SPENT IN BOTH WORK AND LEISURE ACTIVITIES AND THEIR SATISFACTION WITH THEIR TIME USE.]**

Please record a log of the activities for the individual in the last complete 24 hours (starting yesterday morning at 4 am, finishing 3 am of the current day). The time intervals are marked in 15 min intervals and one to two activities can be marked for each time period by drawing a line through that activity. If two activities are marked, they should be distinguished with a P for the primary activity and S for the secondary activity written next to the lines. Please administer using the protocol in the enumeration manual.

	Night				Morning		Day													
Activity	4	5	6	7	8	9	10	11	12	13	14	15								
A Sleeping and resting																				
B Eating and drinking																				
C Personal care																				
D School (also homework)																				
E Work as employed																				
F Own business work																				
G Farming/livestock/fishing																				
J Shopping/getting service (incl health services)																				
K Weaving, sewing, textile care																				
L Cooking																				
M Domestic work (incl fetching wood and water)																				
N Care for children/adults/elderly																				
P Travelling and commuting																				
Q Watching TV/listening to radio/reading																				
T Exercising																				
U Social activities and hobbies																				
W Religious activities																				
X Other, specify...
